## HOW TO PLAY ZOAR

### The year is 2020 A.D.

**ZOAR**, is one of the last survivors of Federation defenses. HE is the best pilot in the swiftest most deadly aircraft in a future world.

**ZOAR**, is flying an aircraft that will give you 3-dimensional play. The Joy stick moves the craft from left to right and raises or lowers altitude.

The **LOWER ZOAR** flies the faster he attacks.

The fire button will shoot rockets at the Dynasty airships.  
They, too, are changing altitude.

The bomb button will destroy Dynasty vessels and ground installations.

**TOUCH** landing strip for extra points!

Use **ACCELERATE** button for additional speed.
